

Stepfamilies

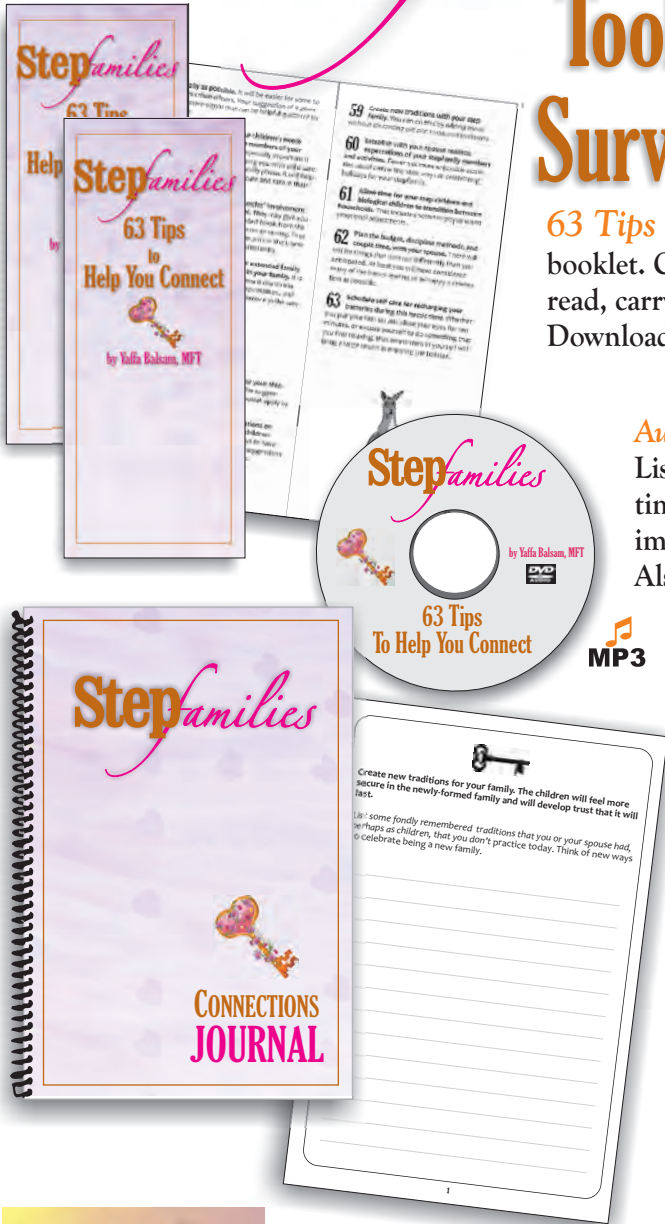

Tools to Help You Survive and Thrive

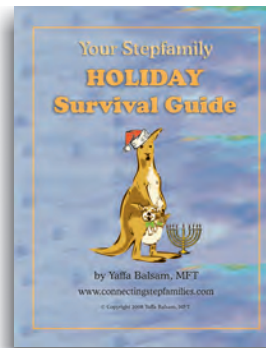

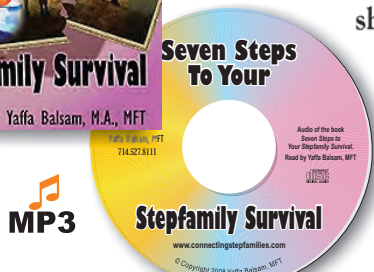

63 Tips to Help You Connect booklet. Convenient 3.5" x 8.5" size, easy to read, carry and mail in a standard envelope. Downloadable ebook also available.

Audio CD reading of the booklet. Listen in your car: use long commute times to learn valuable techniques for improving family relationships. Also available as an MP3 download.

Companion Journal for recording thoughts and experiences while exploring the 63 Steps. We suggest a journal for each stepfamily member.

Seven Steps to Your Stepfamily Survival: An empowering program in book and CD (also in MP3) that shows you how to become a successful stepfamily, one step at a time. Downloadable ebook also available.

Your Stepfamily Holiday Survival Guide: An e-book filled with practical information and incredible tools to help you maximize your joy with your stepfamily during the holidays

Simple, proven tools to resolve problems directly and successfully while improving and strengthening your stepfamily.

Yaffa Balsam is a licensed Marriage and Family Therapist. She has worked extensively with stepfamilies and has served as past-president of the Los Angeles Chapter of The Stepfamily Association of America. She designs and facilitates programs for individual stepfamilies.
