ABOUT MY AUDIENCE

I have a mailing list of over 15,000 active subscribers who are mostly Coaches, Healers, Artists and Idealistic Entrepreneurs who want to make six or seven figures while being good people and helping others.

My promotions also go out to over 35,000 fans/follower/subscribers on Facebook and Twitter.

HOW I CHOOSE PARTNERS

Promotional priority goes to:

1. Clients who offer something that will be valued by my readers,
2. People, products and services I LOVE, and
3. Events that have me speak on their stages or interview me as an expert ...

As a guest expert on the *Manifest Everything Now!* Tele-summit I sold over 1,000 units (\$99 price point) with a less than 4% return rate.

My conversion from the stage this year has averaged 35%
