

Introduction

Every day someone somewhere has a need for a quick tip in the kitchen or in the household. In previous generations it was the woman who ran the home and the husband held the job. Needless to say, that is not always the case any more. Now we have Mom, and Mr. Mom., and each of them wants a quick reliable source for making life easier.

101 Household Hints You Absolutely, Positively Must Know is the resource. This booklet was assembled with everyone in mind. Use it in many ways, some of which are listed on page 16.

Around the House

1. **De-fog goggles and glasses.** Coat with toothpaste.
2. **Clean dirty grout.** Use mouthwash.
3. **Clean dishwasher pipes.** Place Kool-Aid® in the detergent section and run a cycle.
4. **Clean a toilet.** Kool-Aid® will make it sparkle. (Wow, and we drink this stuff!)
5. **Smooth scratches on CDs.** Peanut butter will do it. Wipe off with coffee filter paper.
6. **Preserve a newspaper clipping.** Use a large bottle of club soda and a cup of milk of magnesia, soak for 20 minutes and let dry. It will last for years without yellowing.
7. **Loosen stickers, decals, and glue.** To remove from furniture, glass or plastic, saturate with vegetable oil and rub off.
8. **Clean crayons off walls.** Spray with WD-40®, wipe gently using a paper towel or clean cloth.
